1. Mode of Payment

- (i) For samples outside the GNDU campus: Payment can be made in the form of DD drawn in favour of Registrar, Guru Nanak Dev University, payable at Amritsar.
- (ii) For in-campus samples; Payment will be received in cash in the office of Emerging Life Sciences and a receipt will be given.
- (iii) GST = 18% extra for outside samples.
- 2. For the NMR users under category (ii) (Annexure-I): time slot will be allotted every week and the machine will be operated by the group member/s who are trained for operating NMR spectrometer.
- 3. For getting good HRMS, either provide pure solid/liquid compound or provide correct information for concentration. If providing solution of the compound, concentration should be at least $50 \mu M$.
- 4. Results will be available within One week of submitting the sample.
- 5. Time slot for each machine depends upon the availability of the machine.
