

SHORT-TERM QUOTATION NOTICE

The quotations are invited from the Structural Design firms/Structure Engineers for providing structural design consultancy for Unity Mall at Amritsar, with an approximate covered area of 4,00,000 sq.ft. Other such building projects are being executed by the Consultancy Team of the Department of Architecture, Guru Nanak Dev University, Amritsar.

SCOPE OF WORK:

- The Structural Engineer is desired to design the building for gravity load and earthquake forces. The building is RCC framed structure.
- The firm will supply six sets of drawings & one set of calculations.
- Structural Engineer is supposed to visit the site at least as and when required, during the construction work as mutually agreed.
- The calculation of quantities of steel and concrete structural elements (i.e. columns, beams, slabs, RCC Walls projections, cantilevers etc., will be provided by the Structural Engineer.
- The time frame for submission of the complete design and documents shall be 20 days.
- 10% payment shall be made on receipt of preliminary drawings, 80% on submission of detailed working drawings 10% on project completion.

The firm should also submit complete bio-data of Staff/Engineers indicating their experience & the number and names of identical buildings designed by them, and fee-acceptable terms and conditions. The offer should be sent by post within 10 days from the publication of the advertisement on the university website to the following address. For any clarification, contact us at 9501017403 and 9501032589
