Subject: Sealed quotations for GC-MS (Gas Chromatography Mass Spectroscopy)

(Technical Bid (Sealed) and Financial Bid (Sealed) put in one Main Sealed Envelope separately)

Technical Specifications:

Samples are to be prepared for analysis, including processing, if any.

Samples are required to be scanned against NIST library and to be processed using SIM method to achieve high sensitivity for quantitative analysis.

In addition to Fiehn GC-MS library, extra compound addition should be permissible, as per the requirement of the analysis.

Total no. of samples to be analyzed – 90

Complete analysis of the data thus generated will be required, in addition to the spectrum generated.

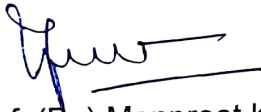

As it is time bound work, analysis is required to be completed and the results to be provided within 5 days of handing over the samples.

Sealed quotations are invited for the supply of above service in two separate sealed envelopes of Technical and Financial Bid put in one sealed envelope. [The sealed envelopes of Technical and Financial bids inside the main envelope should clearly mention that which is Technical bid envelope or Financial bid envelope.
